

Misconduct Policy

Pioneer Academics is committed to providing all students with a safe and supportive learning environment. Members of the Pioneer community are expected to treat each other with dignity and respect at all times and misconduct will not be tolerated.

Our mission is to transcend cultural, geographic and socioeconomic barriers to educational engagement, and Pioneer will take all necessary actions to ensure that every student has uninhibited access to the life-changing educational experiences that we are proud to provide.

In the case of perceived bullying or harassment, a student should immediately leave the video conferencing session and email concerns@pioneeracademics.com to report the incident. **A participant's grade will NEVER BE IMPACTED by reporting incidents of perceived bullying or harassment.**

Violation of this policy is strictly prohibited, and Pioneer reserves the right to take all appropriate actions to protect members of the community up to and including termination of the student enrollment agreement and removal from the program.
